

Alumni-Owned Small Businesses

The 2024 FOCUS Alumni Catalog

Hey there, alumni!

We're all about championing what you're up to, and we think the fact that many of you are small business owners is pretty darn amazing.

We hope this catalog gives you a glimpse at what your former teammates and students are doing. And, if buying gifts is part of the way you celebrate Christmas (or birthdays or other holidays), consider purchasing from your fellow alumni.

To create this list, we polled FOCUS employees and friends, so we're sure it's not exhaustive. If your alumni-owned business is missing, email us at alumni@focus.org with the necessary info and we'll get you added to the list.

The Alumni Team exists to help build local Catholic culture. Many of us use these products, display this art or listen to the owners' podcasts.

That being said, this list is not a FOCUS endorsement of any brand or product. If you're ever looking at a listed business and feel it doesn't align with our greater mission, please reach out to us.

We're here to champion and serve you!

Wishing you the merriest Lectionary Cycle B year,
The FOCUS Alumni Team

How to use this catalog:

- Businesses are sorted in alphabetical order by alumni's last name
- Each entry includes an owner, title and website.
- The colored icons will indicate what sort of products they sell.
- If the business has a brick & mortar location, we've included the address and a building icon.
